

The logo for Single-Walled Carbon Nanotube (SWCNT) features the text "SWCNT" in a bold, black, italicized sans-serif font. The text is centered and overlaid on a background of two red sine waves. The waves are out of phase by approximately 90 degrees, creating a continuous, interlocking pattern that resembles a helical structure. The top wave starts at a peak on the left, while the bottom wave starts at a trough on the left.
